16th Anniversary of the Freedom Ride

Isn't it ironic that a captured serviceman, returned under his country's flag is now designated a POW, by our government. Yet, our government denies that same individual a POW status when it is needed most, when he is in enemy hands.

The public understands the POW designation. A Missing/Captured designation is a question mark.

The Waiting ~ four U.S. soldiers are missing in Iraq. For their parents, it's a lonely vigil.

This is the year we ALL CAME together in the effort to make it the largest gathering ever in New England...All Blue and Gold Star Families, All Bikers together, All Veterans together for the POW/MIA issue.

Anyone riding should plan on being at Lowe's [1407 Lake Shore Road ~ **formally K-Mart Plaza**] in Gilford. Plan on being there by **6:00pm** ~ lineup is at **6:15pm** and we will be leaving the parking lot by **6:30pm** with a police escort down route 3 to "**The Rock**" Heskey Park.

Numbers are important! This issue belongs to EVERYONE!

IF YOU ARE NOT A RIDER ~ Please join us ~ you can arrive by vehicle by way of Route 106 N. There is plenty of parking and your voice is important!
